

## CLEVELAND TECHNICAL SOCIETIES COUNCIL Member Benefits

### **Promoting Your Programs/Events**

Your organization's events and programs will be included on the CTSC's website calendar including time, date, place and a direct link (when available) to each events registration page. The CTSC will promote events that are sponsored or co-sponsored by any of its member societies.

### **TechWeek**

Your society's events will be featured on CTSC's weekly email TechWeek newsletter which is distributed Monday mornings to hundreds of STEM professionals throughout Northeast Ohio. Each event includes the time, date, place and a direct link (when available) to each events registration page. Tech Week also includes posting of various STEM jobs in Northeast Ohio.

### **CTSC Jobs Board**

The CTSC Jobs Board is included in each edition of the Council's TechWeek newsletter. It features a listing of current job openings in various STEM fields along with direct links to each individual job posting.

### **CTSC Speakers Bureau**

Individual members of CTSC societies can offer themselves as speakers through a listing on the CTSC Speakers Bureau where others also can contact them about filling program speaking engagements. Member societies also can engage any of these speakers to present at one of your group's monthly programs.

Sign up to be added to the CTSC Speakers Bureau.

### **Collaboration Forum**

The CTSC supports its member societies by hosting its annual Collaboration forum where representatives from member societies can present, discuss and jointly address pressing issues. Each society also has the opportunity to solicit program ideas as well as ideas for joint programs with other groups.

### **Professional Awards**

Every year CTSC recognizes outstanding local professionals who have distinguished themselves as leaders, emerging leaders, educators and visionaries. Nominated and selected by their peers, these awards serve as recognition of the exemplary work scientific and technical work being done in Northeast Ohio.

### **Reduced Rates for CTSC Scholarships — Save \$100**

Member societies receive a \$100 discount to sponsor a CTSC scholarship for one of Northeast Ohio's best and brightest STEM students – as chosen by their teachers.

### **FREE Advertising on the CTSC TechWeek Newsletter**

Member societies can gain additional exposure and promotion of the events of your choosing in CTSC's TechWeek newsletter. Each society is eligible to run two advertisements in TechWeek during the year to promote any event or program of your choosing. Contact CTSC (440.835.4525 or by email) for more details.

**Listing and Logo on the CTSC Website** as well as a direct link to your society's local website
